

# My Kid's Turn

<http://mykidsturn.com>

Are you looking for some fun, educational activities to keep your kids' minds sharp over the summer? Then check out **My Kid's Turn!**

**My Kid's Turn** is a library of video clips created by teachers and parents that contain games, exercises, strategies, and activities that will help kids learn concepts and ideas - while they're having fun!

## **Shows include:**

- By the Numbers (*math strategies and problem solving*)
- Just Desserts (*educational games to play at the dining room table*)
- Learn, Grow, Bloom (*language and pre-reading activities for little ones*)
- Great Games, Better Brains (*making video games educational*)
- Raising Digital Kids (*cyber-safety and web tools*)
- Magic Spell (*spelling strategies and tricks*)

**More episodes coming soon!**
